Website & Web Portal

Starting January 12, 2009, our official website will be available online. Our CME website will discuss our company information as well as show our physicians curriculum vitae's. Also available to companies and law firms will be a web portal. The web portal will allow our clients a password to access their own information of IME/Deposition times and dates, reports, status of reports, and even request testing or addendums. If you are interested in this set-up please contact Glen

Owner's Box – Dr. Grant Hyatt

Physician Profile - Dr. Terry Weingarden

Comprehensive Medical Evaluations is proud to feature, in our first CME Quarterly edition, Dr. Terry Weingarden. Dr. Weingarden is an integral part of our CME family and is EXCLUSIVELY with our company. He is board certified in Orthopaedics with a specialty in hand surgery. His education began at Wayne State University for undergrad and then received his Doctorate from the Chicago School of Osteopathy. He also, has a Hand Fellowship from Grace Harper Hospital. Dr. Weingarden has been performing IME's for over 15 years and carries an impeccable reputation with attorneys and adjusters. During his time performing independent medical evaluations, Dr. Weingarden has seen every possible orthopaedic complaint from a neck herniation to fractures of the foot. He enjoys discussing all aspects of our industry with attorneys and adjusters and continues to stay current on important issues like Stokes. Please keep in mind that Dr. Weingarden performs independent medical evaluations in Farmington Hills, Flint and Lansing.

Out-of-State Scheduling

As the IME industry continues to change, our services will continue to develop to accommodate your needs. Many insurance companies, TPA's and law firms are expanding into other states to weather the economic storm. CME understands this need and is adding physicians on a national level daily. Please keep us in mind when you need an IME outside the state of MI.
